

School Commitment Statement

Respectful Relationships Education

The Currajong School is committed to implementing a whole school approach to Respectful Relationships Education.

We recognise that our school is more than a space for young people to learn. Our school is a place where all community members deserve to feel welcomed, respected, safe and valued. Schools, like ours, have the opportunity to lead, inclusive practices, influence and contribute to a healthy community culture where diversity is accepted.

As part of this commitment:

- Our school will promote gender equality and positive respectful relationships.

Our school will provide:

- Professional learning for school staff on gender equality, the prevention of gender based violence and Respectful Relationships Education.
- Professional learning for teachers delivering Respectful Relationships curriculum in the classroom.

Our school will commit to identifying gaps and limitations in existing culture, policies and practices in gender equality.

Our school will encourage community feedback on gender equality in the school.

Our school will identify, resource and implement key actions to promote gender equality and prevent gender based violence.

Our school will engage with external experts for advice and support in preventing gender based violence and promoting gender equality and respectful relationships among the community.

Our school will build partnerships with expert family services to increase school capacity to respond to students and staff who experience, witness or perpetrate gender based violence.

Our school commits to continual improvement and evaluation of Respectful Relationships Education.
